## National Cancer Society Malaysia

The National Cancer Society of Malaysia (NCSM) was founded in 1966 and is financed entirely by voluntary contributions from the public and receives no government funding. This allows the society to pursue new and innovative services for patients with cancer.

NCSM is dedicated to preventing cancer, saving lives from cancer and improving the quality of life of those living with cancer through patient care and education. It is involved in Public Awareness and Education Programmes. They give talks and organize seminars and lectures. They are also involved in Medical Education; providing education to graduates and undergraduates and inviting eminent specialists from overseas to update medical specialists here in Malaysia on the latest trends in the management of cancer patients.

A cancer diagnosis has the ability to turn our world upside down and make us fearful of the future. The impact is felt as patient, family member, friend or carer. NCSM Online aims to take that fear away by providing a quality cancer information platform, which empowers you to make better informed treatment and quality of life decisions. This will also allow you to resume and re-affirm control over your life during your journey with cancer.

## Malaysian Systemic Lupus Erythematosus (SLE) Association

Persatuan SLE Malaysia (PSLEM) or the Malaysian SLE Association was set up in 1994 by concerned doctors and patients to help people suffering from Systemic Lupus Erythematosus (SLE), a life-long, life-threatening disease in which the patient's immune system turns against his/her own body.

Starting with a core group of 10 committee members, PSLEM's members today total more than 2,400. From squatting in a doctor's office at Hospital Universiti Kebangsaan Malaysia, PSLEM now operates from its own Secretariat in Petaling Jaya, Selangor. A Sandakan Chapter was launched in 2004, a Penang Chapter in 2008, a Kuching Chapter in 2009, and a Johor Chapter in 2010. PSLEM's activities are funded by corporate donors and individual well-wishers. The association is recognised as a charity by the Government and cash donations to PSLEM are eligible for tax exemption.
